

You must keep the current ownership regulations in place and not submit to the pressures and financial clout of media conglomerates who are usurping our right to hear opinions from all sources big and small. If the rules of ownership are removed we will end up with too few owners and too little diversity of views and opinion. Follow your mandate and act on behalf of the PUBLIC interest rather than for the benefit of a few corporate media owners. KEEP THE EXISTING RULES IN PLACE!

Sincerely,
Robert B. McGrath
